On this website, you will find the **complete [menu](https://menuweb.menu) of AJ's Diner** from Wyre Forest. Currently, there are **21** meals and drinks available. The restaurant used to be a favorite spot for breakfast before lockdown, but recent experiences have been disappointing. Customers have received poorly cooked food, cheap ingredients, and long waits for their orders. Despite this, when the owner is cooking, the food is described as first class. The cafe is well-run and efficiently serves up delicious breakfast items, with friendly staff and a welcoming atmosphere. Overall, while some may have had negative experiences, others have found it to be the perfect spot for a satisfying meal at a good value.
