A **complete menu of Sainsbury's** from Wokingham featuring all **20** dishes and drinks can be found here on the list. Nestled within Sainsbury's superstore, this café aims to provide a convenient stop for tea or a light meal after shopping. While the menu offers a decent variety, including breakfast options and snacks, reviews indicate some persistent issues, such as long queues, slow service, and cleanliness concerns. Patrons have noted dirty cutlery and tables, detracting from the overall experience. Despite these setbacks, the café is praised for its child-friendly options, reasonable prices, and a pleasant atmosphere. It remains a viable choice for casual dining, though improvements in service efficiency and hygiene would enhance its appeal significantly.
