A **comprehensive [menu](#) of Star Castle** from Cornwall, Isles of Scilly featuring all **32** menus and drinks can be found here on the menu. Star Castle Restaurant offers a stunning venue with breathtaking views, creating a tranquil dining atmosphere complemented by friendly staff. While many diners rave about the delicious food and extensive wine selection, recent experiences reveal inconsistencies with portion sizes and food temperature that have left some guests disappointed, especially considering the premium pricing. Service in the conservatory has been notably less attentive compared to the main restaurant, leading to feelings of inconvenience among non-resident patrons. Overall, while the setting and many menu items are praised, the dining experience may vary significantly depending on location and service quality.
