Overall, reviews for Basing Chinese Cuisine are mixed. While some customers praise the food quality and friendly service, others express disappointment with burnt and tasteless dishes, inconsistent quality, and rude behavior from staff. Some find the prices fair and the menu varied, but others feel the food is overpriced for the quality. Despite the restaurant's charitable aspect and quick service, there seems to be a lack of consistency in food preparation and customer service. It is recommended to order ahead during busy times to avoid long waits.
