On this webpage, you will find the **complete menu** of **The Black Bull** from Falkirk. Currently, there are **45** dishes and drinks available. The Black Bull is a mixed bag, with some diners experiencing poor service and cold, low-quality food, while others rave about the Philly cheesesteak and fish and chips. The atmosphere is noisy, the portions can be small, and the wait for food can be long due to having only one chef. However, the staff are friendly and accommodating, parking is ample, and the decor is charming. The bar serves excellent food, and the prices are reasonable. Overall, experiences vary widely, so it may be worth a visit to judge for yourself.
