A complete [menu](#) of The Greyhound from [Ipswich](#) featuring all 46 dishes and drinks can be found here on the menu. Nestled near the park, this gastropub's expansion may have sacrificed its cozy charm for an over-crowded, pricey dining experience. Mixed reviews point to high prices, difficulty parking, and a lack of seating for non-diners. However, exceptional vegan options, attentive staff, and a delightful garden make it a hit for some diners. Despite a few hiccups, overall, the Greyhound may be worth a visit, especially for a delicious vegan roast.
