Here you will find the [menu](#) of **Hare And Tortoise** in Ealing. At the moment, there are **48** dishes and drinks on the menu. At Ealing's popular Japanese chain, expectations run high for a delightful culinary experience. However, recent visits indicate a scattershot performance, with some patrons disappointed by inattentive service and slow drink arrivals. While dishes like chicken karaage and sushi garnered praise, the Pad Thai fell short, described as excessively salty. The atmosphere is a balance of casual and chaotic, prompting a mix of reviews regarding staff efficiency and English proficiency. Though the food can be flavorful and well-priced, consistency appears to be the key issue, making this establishment a gamble for those seeking a reliable dining experience.
