On this homepage, you will find the **complete menu of Arkle** from Brymbo. Currently, there are **50** dishes and drinks available. Arkle presents a blend of exquisite dining and attentive service, making it a noteworthy destination. The standout dish is the wild halibut, creatively prepared to highlight its exceptional quality, although the scallops and duck, while enjoyable, don't quite reach the same heights. A comprehensive 10-course tasting menu paired with a wine flight dazzles, yet some service mishaps detracted from the overall experience. Attention to dietary restrictions varies, with instances of lapses concerning allergies. Nonetheless, the restaurant's beautiful decor, delightful desserts, and warm atmosphere promise a memorable experience, making it ideal for special occasions.
