The Junction Bar offers attentive service and delicious food, especially the fish and chips. Their Christmas menu is a great value with large portions and friendly service. The atmosphere is fantastic, with unique themes throughout the restaurant. While the food is delicious, the portions are huge and might leave you feeling stuffed. Overall, a fabulous place to relax and enjoy gorgeous views. Just beware of long wait times during busy periods. Be sure to try the pulled pork baguette and fish pie, but maybe skip the kid's pizza.
