On this homepage, you will find the **complete [menu](#) of Bistro** from Castlereagh. Currently, there are **54** menus and drinks available. The Ivanhoe Bistro recently underwent a renovation that impresses visually, yet opinions on its culinary offerings vary greatly. While some patrons enjoyed well-presented dishes featuring local produce and friendly service, others criticized the menu's lack of creativity, long wait times, and inconsistent service.

Complaints about unsatisfactory food quality, inflated prices, and unwelcoming treatment have left many disappointed. However, a few have praised the effective accommodation of dietary needs and overall value for money. Despite the stylish decor, the bistro faces challenges in delivering an experience that aligns with its potential, prompting some locals to seek alternatives.
