Here you will find the [menu](#) of Azur in St Leonards-on-Sea. At the moment, there are **54** menus and drinks on the list. Nestled above the beach, this restaurant boasts a stunning location and a blend of positive and negative experiences. While some patrons enjoyed friendly service and delightful meals—particularly the Chicken Caesar Salad and homemade cheeseburger—others faced significant issues, including poor food quality and service missteps. Highlights include a welcoming atmosphere and a spacious terrace perfect for soaking up seaside views. However, reports of subpar dishes and service inconsistencies tarnish its reputation. For now, diners may want to approach with tempered expectations, balancing its picturesque setting with the variable dining experience.
