On this website, you will find the **complete [menu](https://menuweb.menu) of Taylor's** from [Dartmouth](http://taylorsrestaurant.co.uk). Currently, there are **55** meals and drinks available. This restaurant presents a stark contrast between culinary excellence and service shortcomings. Diners rave about the exquisite dishes, such as langoustines, scallops, and the outstanding cheese board, complemented by an attentive and knowledgeable staff. However, others report an alarming decline, citing overpriced, subpar pub grub, overly sarcastic service from an arrogant owner, and even hygiene issues. While some savor lavish evenings with delightful wine pairings and beautiful views, others warn potential guests to seek better dining options just a short walk away. Ultimately, it's a restaurant of highs and lows, leaving patrons divided in their experiences.
