Nestled in the charming town of Masham, The White Bear pub offers an inviting atmosphere with its vintage decor and cozy ambiance. Renowned for serving Theakston's beers at their source, patrons rave about the well-kept ales and delicious food, including a standout roast of sirloin. While the prices have raised some eyebrows, the attentive staff and dog-friendly environment enhance the dining experience. Guests appreciate the comforting fireplace, delightful desserts, and the warm welcome for furry friends. However, occasional lapses in service practices, such as phone response, could use improvement. Overall, it remains a beloved spot worth revisiting.
