On this homepage, you will find the **complete menu** of Sukanya Thai from South Bucks. Currently, there are **56** meals and drinks available. Sukanya restaurant has received mixed reviews from customers. While some applaud the delicious and authentic food, others have complained about racism and disrespectful behavior from staff members. The restaurant's ambiance and service have also been mentioned, with some highlighting the friendliness of the staff and generous portions, while others criticize the lack of options for vegetarians. Prices are considered reasonable for the quality of food served. Despite the positive feedback on the delicious dishes such as Penang curry and plant-based options, the overall experience seems to be tainted by incidents of racism and poor customer service. It is recommended that potential diners consider these aspects before visiting.
