A comprehensive [menu](#) of The Cott Inn from Totnes featuring all 61 dishes and drinks can be found here on the menu. The restaurant, located in a historical building, was disappointing with unmet high expectations, raw food, wrong dessert, and haphazard service. The pub has declined in recent years due to ownership changes, offering primarily a nice beer garden for daytime drinks. Visitors felt cramped next to the busy bar with little space. Contrasting reviews praised the exceptional service from Finn and delicious food. The restaurant is a treasure for lunch and dinners with a chef who knows his stuff. Accommodations in the rooms were clean and comfortable, with beautiful gardens surrounding the pub.
