On this homepage, you will find the **complete [menu](#) of The Trigger Pond** from BUCKNELL. Currently, there are **61** dishes and drinks available. Nestled on the outskirts of Bicester, this charming pub/bistro beautifully combines a cozy atmosphere with high-quality dining options. However, experiences vary; while some rave about the attentive service and exquisite meals, others have faced rushed interactions and mediocre food considering the pricey menu. Guests appreciate the spacious garden and warm interior, perfect for both summer and winter visits. Standout dishes include the duck breast and innovative vegetarian options like halloumi fish and chips. Overall, it's a pleasant spot for casual dining or special occasions, though patrons hope for consistency between service and food quality in the future.
