The Green Man, a community-owned pub, often delights guests with its inviting atmosphere and commendable food. While some recent visits shed light on service issues and inconsistent food quality—highlighted by tales of tough burgers and lackluster allergies management—many patrons continue to praise the culinary offerings, particularly on special nights like Pie and Pud Thursday. The outdoor setup with heaters and blankets has garnered positive feedback, particularly for family outings. Despite occasional misses, the potential for a delightful experience remains, making it a worthwhile local stop for both familiar faces and newcomers.
