Diners rave about the beautiful views and prompt attention from the staff. However, the food quality has garnered mixed feedback. While some enjoyed excellent dishes and flavorful small plates, others encountered disappointing meals, including overcooked burgers and soggy fish. Prices have also raised eyebrows, with many feeling the portions didn't justify the cost. Despite these inconsistencies, the location remains a charming destination, perfect for a meal out if you're ready for a hit-or-miss culinary adventure.
