A complete [menu](https://menuweb.menu) of The Shed from Great Yarmouth featuring all 64 meals and drinks can be found here on the menu. In 2022, we have opened a new Tapas Bar offering fresh, homemade small plates inspired by Mediterranean holidays. Our menu features a variety of vegetarian options and diners can enjoy a relaxed, laid-back environment reminiscent of vacations in Greece, Spain, and Turkey. We regret to inform you that our seafood restaurant will not be open this year. Contact us for more information.
