Guests rave about the welcoming atmosphere, friendly staff, and delightful puddings, often highlighting the inviting vibe ideal for families and gatherings. However, diners seeking vegetarian options have encountered disappointment, particularly with outdated menus and underwhelming dishes. While many enjoyed hearty meals within a reasonable price range, some expressed frustrations over the lack of variety for specific dietary needs. Overall, The Three Horseshoes stands out for its camaraderie and enjoyable ambiance, making it a good, albeit imperfect, choice for a casual outing.
