"The Cart Shed" is a restaurant that showcases the best local and seasonal food, much of which is produced on the family farm. We source ingredients within 10 miles, except for the occasional exotic item like lemons. The farm provides poultry, quail, squab pigeon, as well as wild meats like venison, partridge, trout, wood pigeon, and rabbit. Dining outside during the summer months, we will offer a gourmet BBQ menu thanks to our partnership with Michael and his Texas smoking engine. We look forward to welcoming you soon.
