A complete [menu](#) of Mannion's Pub from [New ross](#) featuring all 66 dishes and drinks can be found here on the menu. The restaurant has received mixed reviews, with complaints about overcooking steaks and underwhelming pepper sauce. While the food was delicious, the service was a letdown, with long wait times, poor communication, and mistakes with drink orders. Despite these shortcomings, the charming old building offers a pleasant atmosphere, and the outdoor covered area is a great addition. The staff are praised for their enthusiasm and attentiveness. The hidden gem is known for good food at reasonable prices, making it a popular choice for an enjoyable evening out. The [seafood](#) and goat cheese dishes are particularly recommended. The overall experience was enhanced by the welcoming environment, lack of loud music, and attentive staff. Highly recommended for a delightful dining experience.
