On this homepage, you will find the **complete [menu](#) of Bunnyconnellan** from Fountainstown. Currently, there are **70** dishes and drinks available. Visitors to Bunnyconnellan are greeted with magnificent views overlooking Cork, making it the perfect spot to catch up with friends. The ambiance is tranquil, service friendly, but the food is a bit hit-or-miss. While some dishes like the chicken liver parfait and cattle cheeks stood out, others like the Tasteless pork or disappointing carpaccio fell short. A recent change in the menu has brought more variety and flavor, impressing long-time patrons. Overall, Bunny's offers a unique culinary experience with top-notch service and stunning views, making it a must-visit gem in Cork for those looking for something special.
