A complete [menu](#) of Crabby Jo's from Dublin featuring all 72 menus and drinks can be found here on the menu. The restaurant sits in a prime location with delicious fresh seafood dishes like calamari and fish n chips. However, some diners found the prices too high for mediocre food quality and service. On the positive side, the staff was friendly and accommodating, and dishes like mussels in broth and the Fisherman's Pie were highly recommended. Overall, it seems like a hit or miss experience depending on the dish you choose, but the seafood pasta, fish soup, and fried fish were mentioned as standout choices. In conclusion, it's a good spot for seafood lovers, but some improvements may be needed.
