Smiths, founded by brothers Theo and Sebastian in the midst of a pandemic, is a patty-focused restaurant located in Bourton-On-The-Water, also known as the 'Venice of the Cotswolds'. The cozy restaurant accommodates approximately 30 guests, providing an intimate and exclusive dining experience. Our commitment to quality ingredients is unwavering - sourcing our meat from a reputable company in South Wales, focusing on ex-dairy cows for exceptional flavor, and utilizing dry-aged beef to complement our unique flavor profiles. In addition, our handmade buns crafted by a local baker using locally sourced Cotswold flour add the perfect finishing touch to each bite. In the realm of cocktails, our Manager Robin Stransky, with 15 years of experience, leads the way in crafting exquisite drinks for our guests to enjoy.
