On this website, you will find the **complete menu** of **Y Castell** from Gwynedd. Currently, there are **76** meals and drinks available. At Y Castell, diners have experienced a diverse range of meals, showcasing both culinary delights and some disappointments. Many raved about the Sunday lunch, highlighting generous portions and well-cooked dishes, praised particularly for the four meat options and vibrant vegetable accompaniments. However, not all meals received accolades; some reported unappetizing dishes like overcooked beef and bland nachos. The service received accolades across the board, with staff described as friendly and attentive. Though the ambiance varied, with some noting a lack of atmosphere due to bright lighting and music, the overall sentiment leaned toward a positive experience worth revisiting for quality meals.
