A complete [menu](https://menuweb.menu) of The Boathouse from Isle of Anglesey featuring all 84 meals and drinks can be found here on the list. Nestled in a charming location, this small venue boasts a warm atmosphere complemented by lovely staff and an enticing menu. Diners have enjoyed a delightful range of offerings, from perfectly cooked seafood to hearty breakfasts, with standout desserts earning high praise. However, inconsistent service and some dishes, such as overcooked lamb and cold sides, have led to mixed experiences. While the wine selection adds a nice touch, guests have noted the need for better dining tools, particularly when tackling shellfish. Despite occasional hiccups, the boathouse remains a recommended spot, promising an enjoyable visit any time of year.
