The restaurant from Tonbridge and Malling offers **84** different **courses and drinks** on [the menu](#) for an average price of £9. Nestled in a vibrant area, this pub offers a mixed experience for diners and drinkers alike. While some patrons appreciate the beautifully presented meals and friendly service, others have encountered issues such as long wait times and unhelpful staff. The outdoor patio is a lovely feature, though the atmosphere indoors can be marred by rowdy patrons. Menu highlights include delicious burgers and comforting classic dishes, but inconsistency in food quality and service has been noted. Overall, the establishment appeals to those seeking a cozy local spot, but guests are cautioned to visit during quieter hours for the best experience.
