The *menu of Zorbas* from Coventry includes **88** dishes. On average the **dishes or drinks on [the menu](#)** cost approximately £9. You can view the categories on the menu below. Zorbas is a delightful taste of Greece right here in Coventry. Despite some changes due to the pandemic, the restaurant still offers a fantastic dining experience with delicious dishes reminiscent of traditional Greek tavernas. The service is top-notch, and the staff are friendly and accommodating. While live music was missing during our visit, we were assured that a new Greek musician would soon be performing, adding to the lively atmosphere of the restaurant. From meatballs to souvlaki, the food at Zorbas is outstanding, with flavors that transport you to the streets of Rhodes or Zante. The outdoor seating area is perfect for a party night, complete with Greek wine and traditional Greek dance for added entertainment. The only minor downside was the lack of homemade pitta bread, but overall, Zorbas is highly recommended for an authentic Greek dining experience that will leave you wanting more. Be sure to book a table in advance to avoid any disappointment.
