The restaurant from Swindon offers **94** different **dishes and drinks on [the menu](#)** for an average price of £6. A review of a restaurant summarized from multiple sources reveals a range of experiences. Some customers have complained about dirty tables and floors, as well as issues with receiving discounts. One visitor was disappointed by the lack of available options and encountered hairs in their food. Another customer found feathers in their chicken and received poor service when bringing it up. However, there have been positive experiences as well, with some praising the delicious food and quick service. Overall, it seems as though the restaurant may have some inconsistencies in terms of cleanliness, service, and food quality.
