The place from Carindale offers **94** different **dishes and drinks on [the menu](https://menuweb.menu)** for an average price of A\$16. The Yiros Shop in Cannon Hill has received mixed reviews from customers. Some have complained of overpriced menu items, cold food, and subpar customer service. On the other hand, many have raved about the delicious food options, especially the yiros and calamari. The breakfast yiros with haloumi, bacon, and tomato jam has been a highlight for some, along with the crispy chips and friendly staff. Overall, the general consensus seems to be that while there are areas for improvement, The Yiros Shop offers fresh and tasty food, making it a worthwhile dining option for many.
