The restaurant from London offers **105** different **dishes and drinks on [the menu](https://menuweb.menu)** for an average price of £9. Toni's is a local jewel, with consistently delicious food and a fantastic welcome from the staff. Tomo is another local gem, where guests are treated like old friends and the food is always fantastic. However, Tomo has changed recently, with noise levels rising and the absence of the legendary lasagne causing disappointment. Despite this, the staff tried their best and the food was still enjoyable. On the other hand, some guests find everything about Tomo's amazing, from the food to the staff to the wine and dessert. The ambiance makes diners feel like they are in an authentic Italian restaurant in Italy. Celebrations at Tomo are also memorable, with special touches like free Prosecco for Mother's Day. The meals are always delicious, with generous portions made with love and top-quality ingredients. While some guests experienced slow service and minor issues with their meals, they still plan to return due to the overall positive experiences at Tomo.
