The **menu of Haweli Of Belmont** from Sutton includes **123** menus. On average the *menus or drinks on [the menu](#)* cost approximately £11. You can view the categories on the menu below. This restaurant has garnered a diverse range of experiences, from delightful dining to disappointing takeaways. While some patrons rave about the flavorful dishes and attentive service, others lament the lack of seasoning and poor execution, citing rock-hard chicken and missing items in orders. Despite a commendable atmosphere and some standout menu items, such as spicy fish starters and freshly made naan, inconsistencies in quality and service have caused frustration. Although the establishment shows potential for improvement, diners are advised to consider their choices carefully, weighing positive experiences against recent complaints before making a reservation.
