The menu of Carlyle's Cafe from bognor-regis comprises about **126** different menus and drinks. On average you pay about £5 for a dish / drink. Carlyles Cafe, once a beloved local spot, has recently undergone a change in ownership, resulting in mixed experiences for patrons. Regular visitors report a decline in service and food quality, noting issues such as slow wait times and inconsistent portion sizes. However, some diners express satisfaction with the fresh preparation of meals and friendly service. While a few guests found the atmosphere delightful and the menu diverse, others lamented that the cafe no longer lives up to previous standards. As the new owners strive to establish their reputation, loyal customers remain hopeful for a revival of Carlyles' former charm.
