The restaurant from Camberley offers **136** different **courses and drinks** on [the menu](#) for an average price of £8. Spice Merchant offers a mix of culinary delights that, while promising in flavor, can falter in delivery and service at times. Diners rave about standout dishes like the Massaman and green curries, paired with attentive staff who accommodate dietary preferences. However, common complaints arise regarding late deliveries, cold food, and inconsistent order accuracy. While the atmosphere remains inviting and the pricing reasonable, issues with service efficiency can detract from the overall experience. Despite these hiccups, many patrons continue to recommend the restaurant for its excellent food and plan to return, indicating that the kitchen's strengths often outweigh its shortcomings.
