**The menu** of KFC from Harlow contains about **146** different menus and drinks. On average you pay about £8 for a dish / drink. This fast-food establishment presents a jarring contrast between disappointing service and occasional moments of satisfaction. Many customers report frequent issues, including incorrect orders, rude staff, and neglected cleanliness. Long waits for food and inadequate communication about shortages significantly detract from the experience. Despite these frustrations, some patrons have enjoyed their meals, praising the food quality and value for money. However, it's clear that inconsistency in service and food preparation is a recurring theme. For a seamless dining experience, prospective visitors may want to consider other options. Recommendations lean toward caution when choosing this restaurant.
