**The menu of YO! Sushi from Cheltenham** comprises about **159** different dishes and drinks. On average you pay about £7 for a dish / drink. Yo! Sushi offers a unique dining experience with its conveyor belt system, where you can order your food through a website and watch it be delivered right to your table. The staff is friendly and efficient, making sure to provide excellent service. While some reviewers mention that the menu is limited and some favorite items have been removed, others appreciate the attention to detail in explaining how the system works.
