Wagamama Sheffield impresses with its expansive vegan menu, featuring a variety of flavorful dishes like the bang blumenkohl and creamy vegan ice cream. While many guests rave about the taste and freshness, some have encountered service inconsistencies, with meals arriving at different times. Although the restaurant has made strides in providing vegan options, including clearly labeled drinks and an expanding dessert menu, certain dishes, like the vegan ramen, may leave diners seeking less heat. Overall, Wagamama offers a delightful experience for vegans, but a few adjustments in service and dish variety could elevate it further.
