The menu of You Me Sushi from London contains about **170** different menus and drinks. On average you pay about £11 for a dish / drink. In the vibrant world of sushi, one establishment stands out for its delicious offerings and budget-friendly options. While many patrons rave about the fresh flavors and generous portions, others have expressed frustration with customer service, highlighting incidents of rude interactions and order mix-ups. Despite these setbacks, the restaurant's takeaway convenience, particularly praised for its speedy service and delightful rolls, makes it a popular choice for locals. For those seeking flavorful sushi without breaking the bank, this spot remains a top contender, though a little caution regarding service may be warranted.
