The **menu of Nando's** from London includes **350** menus. On average the *menus or drinks on [the menu](#)* cost approximately £10. You can view the categories on the menu below. Cottons is a Chalk Farm institution known for its vibrant Caribbean spirit and colorful interiors. Established in 1985, the restaurant offers an innovative menu inspired by various islands, including Jamaica and Margarita. Signature dishes at Cottons include jerk chicken with rice 'n' peas, homemade curried mutton, and the popular vegetarian option Chaguanas Dinner Plate - featuring chana dhal curry served with black eyed bean, chickpea and callaloo fritters, and plantain. All jerk meats are grilled and smoked over coals and oak wood chips, then covered in Cottons' homemade jerk sauce. The cocktail menu mainly features rum-based drinks such as the Sorrell Sling, Cottons Punch, and Killer Doppi.
