The restaurant from Peterborough offers **353** different **courses and drinks on the menu** for an average price of £9. [Pizza](#) Express in Peterborough offers a familiar dining environment with a blend of pleasant experiences and notable drawbacks. While the service is generally efficient and friendly, inconsistencies in attentiveness can affect the overall experience. Some patrons have reported long waits for food, with [pizza](#) quality sometimes falling short of expectations. However, others rave about delightful interactions with staff, particularly those who go above and beyond to accommodate families. The menu's vegan options and a new rewards program receive praise, but pricing for food delivery and discrepancies with orders leave room for improvement. Overall, expect a decent meal with variable service.
