Green Street Saint Helier, Jersey JE2 4UH, Stoke-on-Trent, United Kingdom
+441534876500 - <http://www.bohemiajersey.com/>

The place from Stoke-on-Trent offers **805** different **dishes and drinks** on [the menu](#) for an average price of £94.

The restaurant offers a mixed experience, ultimately disappointing due to loud music. The pescatarian tasting menu was imaginative and tasty, with a first-rate wine selection. However, the noise from the bar next door was obtrusive and inappropriate for a Michelin starred restaurant, impacting the overall enjoyment. On the other hand, another reviewer found the food unique and delicious in a calm environment, with standout dishes like sweetbreads and lamb. They were slightly let down by the lemon meringue dessert. A couple celebrating their recent wedding had an exceptional experience, feeling very special and welcome. Another couple shared a similar sentiment, describing their pescatarian tasting menu as fantastic and well worth the splurge for their honeymoon. The outstanding service and professionalism from the staff were highlighted by another reviewer who enjoyed the Chef's surprise menu with a wine flight, resulting in a Michelin-worthy meal. Finally, another guest praised the delicious 5-course surprise menu, emphasizing the chef's attention to flavor balance and the fantastic service that left them fully satisfied. With well-deserved Michelin Star accolades, the restaurant offers fantastic food and professional service, making it a great choice for special occasions.
