Since its reopening, this restaurant has garnered mixed reviews. Diners praise the excellent quality of food, particularly the kebabs and fish and chips, which are fresh and delicious. However, the chaotic service leaves much to be desired. Customers report long wait times, disorganization, and missed orders, leading to a frustrating experience. While the staff is generally friendly and the atmosphere inviting, the lack of efficient processes hampers overall satisfaction. Many hope for improvements in service to match the food quality, as the potential for a great dining experience is evident despite the current shortcomings.
