On this site, you will find the **complete menu** of Po Wah from Hart. Currently, there are **26** menus and drinks available. In recent months, the Po Wah restaurant has experienced a noticeable decline in quality, leaving patrons disappointed. Once a cherished dining choice in Hook, many diners have reported issues such as overcooked rice, tasteless dishes, and inconsistent preparation, including unacceptably raw chicken. While some meals still hold up, the overall experience often falls short, particularly considering the expense. Frequent visitors lament the change in management and express a desire for improvements. Despite lingering hopes for a revival, many are now seeking alternative dining options, prompting a reevaluation of this formerly beloved establishment. It's a cautionary tale for potential diners.
