A complete [menu](#) of White Horse Inn from Calne featuring all 36 menus and drinks can be found here on the menu. Nestled in a picturesque location, this restaurant presents a mixed bag of culinary experiences. The menu features delightful dishes such as excellent mussels and standout roast pork, making for memorable meals. However, inconsistency in service and a lack of cohesive hospitality mar the experience, with overcooked steak and inadequate responses to mishaps noted by guests. While some patrons appreciated the vibrant atmosphere and selection of beverages, others felt that the music choices disrupted the dining experience. Overall, the restaurant holds potential, but improvements in service and attention to detail are necessary for it to fully shine.
