Here you will find the [menu](#) of **India Cottage** in West Lothian. At the moment, there are **40** dishes and drinks on the menu. Once a beloved family-run establishment, Indian Cottage has undergone a transformation that's left patrons divided. While some reminisce about the enchanting flavors and warm ambiance of its previous ownership, others lament the decline in food quality and service speed. Despite the charming decor and accommodating staff, reports of cold meals and reduced portion sizes have surfaced, prompting disappointment among long-time customers. However, a handful of optimistic diners praise the updated menu and attentive service, suggesting that Indian Cottage may still reclaim its status as a go-to dining destination. The future remains uncertain, but the potential for revival exists.
