The **menu of White Lion Pub** from Lutterworth includes 149 dishes. On average the **dishes or drinks on [the menu](#)** cost approximately £8. You can view the categories on the menu below. The White Lion offers a lackluster dining experience, with drab decor, slow service, and mediocre food. One visitor found themselves dining in the dark due to unprofessional conduct. Another was disappointed to have their reservation canceled last minute. Short-staffing seemed to be a recurring issue, resulting in long waits and rushed meals. However, the food itself was praised as excellent and affordable. Despite the shortcomings, one server stood out for his friendliness and effort. Overall, the White Lion appears to be struggling to provide a consistent and enjoyable dining experience to its customers.
