A complete [menu](https://menuweb.menu) of Metropolis Grill from Kirby Misperton featuring all 10 dishes and drinks can be found here on the menu. ### Restaurant Review: A Mixed Experience Located near a lively pirate show, this restaurant offers a diverse menu but struggles with sound levels, cleanliness, and food quality. Diners report that items like pulled pork tacos were unsatisfactory, often described as overpriced and lacking in flavor. While some enjoyed the steak and fajitas, noting friendly service amidst the chaos, others felt overwhelmed by the noise and sticky tables. Positive experiences include successful children's parties and decent takeout options. However, with limited vegetarian choices and inconsistent food preparation, potential patrons should weigh their options carefully before visiting.
