Currently, there are **9** meals and drinks available. ****The Brown Trout: A Mixed Bag of Experiences**** The Brown Trout, recently renovated, offers a stylish atmosphere complemented by a beautiful beer garden, making it a perfect spot for a relaxing dining experience. Guests rave about the delicious and generously-portioned dishes, with a commendable selection of drinks. However, not all experiences are positive, as some diners have reported slow service and issues with meal accuracy, including missing items and wrong desserts. While many patrons express excitement to return, others question the management's efficiency in handling service. Despite the mixed reviews, the charm of the restaurant and its friendly staff continue to draw visitors.
