On this website, you can find the **complete menu** of **Waitrose Cafe** from Cheltenham. Currently, there are **19** menus and drinks available. Waitrose's redesigned café has received mixed feedback. While some appreciate its comfortable atmosphere and friendly staff, many criticize the chaotic layout and lengthy queues that frustrate customers, particularly those with mobility issues. The limited food selection, especially the absence of hot meals, has disappointed diners. However, the quality of coffee and select pastries garners praise. Despite these flaws, the café provides a pleasant environment worthy of a pitstop during shopping, especially for those with a MyWaitrose card. Ultimately, while it offers great value and decent food, significant improvements are necessary for a smoother experience.
